

Announcing: Patrick Cooper, New OEM Ontario Account Manager.

We are pleased to welcome Patrick Cooper as our new Account Manager in our Ontario OEM Division.

Patrick has over a decade of Wire and Cable industry experience and has been in an account manager role for over 15 years, specializing in solution selling in the OEM marketplace. His knowledge and expertise will be an invaluable addition to our Ontario OEM Team.

In his new role, Patrick will oversee an account base of OEM accounts specializing in material handling, food and beverage, automotive, and machine builders to service existing customers and grow the business with new prospects.

Congratulations Patrick, welcome to your new Account Manager role in our Ontario OEM Division!
