

LAN Category 5E CMR

Product Description

Marathon LAN Category 5E cable offers an exceptional value for jobs that require standards compliance at a cost effective price. While Marathon LAN cable meets all of the ANSI/TIA.EIA-568-B.2 specifications, it also offers other features that make it easier to use, save on installation time and expense and ensure product quality during the installation. From the QuickCount feature, which marks the exact cable remaining in the box, to the WideMouth payout design, which reduces tension on the wire as it is pulled during installation. Marathon LAN cable provides more overall value than any other CAT 5e product available today.
